

Hi,

Unfortunately, the system does not accept registrations for minors (under 18 years old).

A PDF copy of a minor's (17 years old and below) test result can be forwarded.

**All four (4) steps below must be completed to forward results.**

1. Fill in the attached form: Authorization for Use and Disclosure of Protected Health Information.
  - a. E-mail the completed form to, [help@mydlschart.com](mailto:help@mydlschart.com)
  
2. At the top of your E-mail response, rewrite this statement:
  - a. **"I authorize Diagnostic Laboratory Services, Inc. to release COVID test results for (Place Minor's Last and First Name here) to (Place Guardian Last and First Name here) via email."**
  
3. E-mail a CLEAR photo of Parent/ Guardian/ Self's valid identification card. (See below for a sample of the approved Identification cards.)
  
4. E-mail a SELFIE of Parent/ Guardian/ Self holding the same identification card that is used in step #3.

Below are samples of Acceptable Identification cards

State ID or Driver's License	International Passport	United States Passport
